

Riston News

Together with God we love, learn and grow.

Friday 6th September

Dear Parents and Carers,

A warm welcome back to school for those of you that are already part of the Riston family and for those of you that have joined us for the first time, we are happy to welcome you to the family. It is fantastic to see the children arriving back looking so smart.

The teachers have done a wonderful job setting up their classrooms and Mrs Forbes has been busy cleaning and preparing the whole school so we were met with a pristine school to return to. The learning environments really do look wonderful and I know the children will be keen to share their classrooms with you at our first parent drop in.

I do hope you can join us at one of our events this term, please see the list on the reverse of the letter for the dates ahead.

Kind regards
Mrs S Hall

Equipment

Please check your child has all of their equipment named in school. Every child should have with them a water bottle, P.E kit (including trainers) and indoor shoes to change in to please.

Pupil leadership in school

This week we will be electing our new school council and recruiting for our other leadership roles in school. The children are keen to take on a wide range of responsibilities in school and we look forward to introducing them to you soon. We take pupil leadership very seriously at Riston. If your child does not take up a specific leader role in school, but is keen to share the great ideas they have, please encourage them to write down their ideas and place them in the school council suggestion box. These are read every month and children giving suggestions are invited along to meetings to share their ideas. We really do want every voice to be heard.

School Council

Our newly elected school council will be presenting at the next parent drop in at 3.00pm when we serve refreshments. Please do come along to give them your support and encouragement.

Medical information for children in school

If your child has any medical needs that we are not aware of please contact the school office. For all children with medical needs already identified, information will be sent home next week for you to check and return to ensure it is accurate.

Clubs

Clubs will be starting next week. Please encourage your children to take advantage of the wide range of activities - there is something for everyone!

Day	Lunchtime	3.30pm
Monday	Sports	Debutots
Tuesday	Reading	Music club
Wednesday	Lego	Tigers' Trust
Thursday	Pencil
