To Parents/Carers of all schools within
Ebor Academy Trust

18 March 2020

Dear Parent/Carer

We are trying to get hold of information which may maintain school provision for the children of parents or carers who work in healthcare and emergency services, to allow them to be able to do their vital work in the current national emergency.

Working alongside the local authority, we are exploring the feasibility of consolidating a service on a small number of sites in each of our school areas.

If you work in any of the following occupations and in the event of school closure would usually have to stop work in order to care for your child or children, please let us know asap.

Do you work in one of these professions? Please send your response by email to: admin.ris@ebor.academy

___NHS
___Police
___Ambulance service
___Fire and rescue service
___Adult care
___Children's social care

Thank you in anticipation of your support

Yours faithfully

Mrs Gail Brown
Chief Executive and Executive Headteacher
