Message from Mrs Marsden

It was fantastic to be able to allow children to have Sports Day last week, even if it was on a much smaller scale than previous years. The beautiful weather helped make the day feel extra special and the children were very proud of their sporting achievements. A big thank you to Miss Groom for organising the day. As a school we will remain within our current 'bubble' system and procedures until the end of the school year. We are taking careful steps towards returning to some of the key events in our school calendar. Many of these are detailed below.

All families should now have received their child's end of year report, please contact your child's teacher if you have not. Today all children will spend time with their new class to prepare them for their transition to their new year group.

Unfortunately, Mrs Knowles and Mrs Smith will be leaving us at the end of this academic year and we thank them for all their hard work with our children and wish them every success in their new roles. Miss Young will be moving to teach at Sigglesthorpe Church of England Primary Academy, but will continue to work within our team.

I am delighted to introduce Mr Shores as our Highflyers class teacher and Miss Sleight as our Robins class teacher from September. Both teachers have visited the school and have met their new class today.

SAFEGUARDING ALERT

It has been brought to our attention that there is a new app called Monkey that poses a risk, please click on the link to find out more.
