## Design colourful bunting for the Queen's Platinum Jubilee!

Her Majesty The Queen is about to celebrate an amazing 70 years as monarch. It's a record-breaking achievement and everyone is set to join in the celebrations over the next few weeks with extra holidays and special events. We want to dress up our school with colourful bunting so we can join in the excitement too – and we need your help!

Enter our competition to design and colour in this flag and then we're going to make special bunting fit for a Queen! All schools in Ebor Academy Trust are taking part and the best three designs will feature on our right Royal bunting.

Winners receive an Ebor Achievement Award badge and certificate.

Your design should be original, you should only submit one, and it can be on anything connected to royalty and/or Great Britain. It might be a picture of The Queen, or her family, or her dogs, or her crown, her throne or Buckingham Palace! It might be the Union Flag or it could be what makes Britain great – our army, air force or navy, a cup of tea, or fish and chips, the seaside, the countryside, or music or sport – whatever you think best sums up national pride at this historic moment in time!

**Make sure you hand in your design, don't forget to add your name, age, class and school, to your teacher by 9am on Tuesday 10 May. Good luck – and get drawing and colouring!**

←  
**draw  
and  
colour in  
your  
design here!**

Name .....

.....

Age .....

Class .....

School .....

The three winning entries will be, in the opinion of judges from Ebor Academy Trust, the most appropriate for our celebration bunting which will then be sent to every school. Please note, judges' decision is final.
